parallel lines

three h's 3 oh well a circle

parallel texts

1 per
ception

inception viz vision

in clusive
the clue being
trust

as in just the two of us
eyes i mean

trod read being eyes following
hear not more than
is this hand open

fed meant it to be

sky where eye
(took)

2

deep

deep

the illusion of downwards & its illustration

as across

a meadow

fall fell

that is his story

i have a different one to tell

three h's & oh well a circle

3 logic is

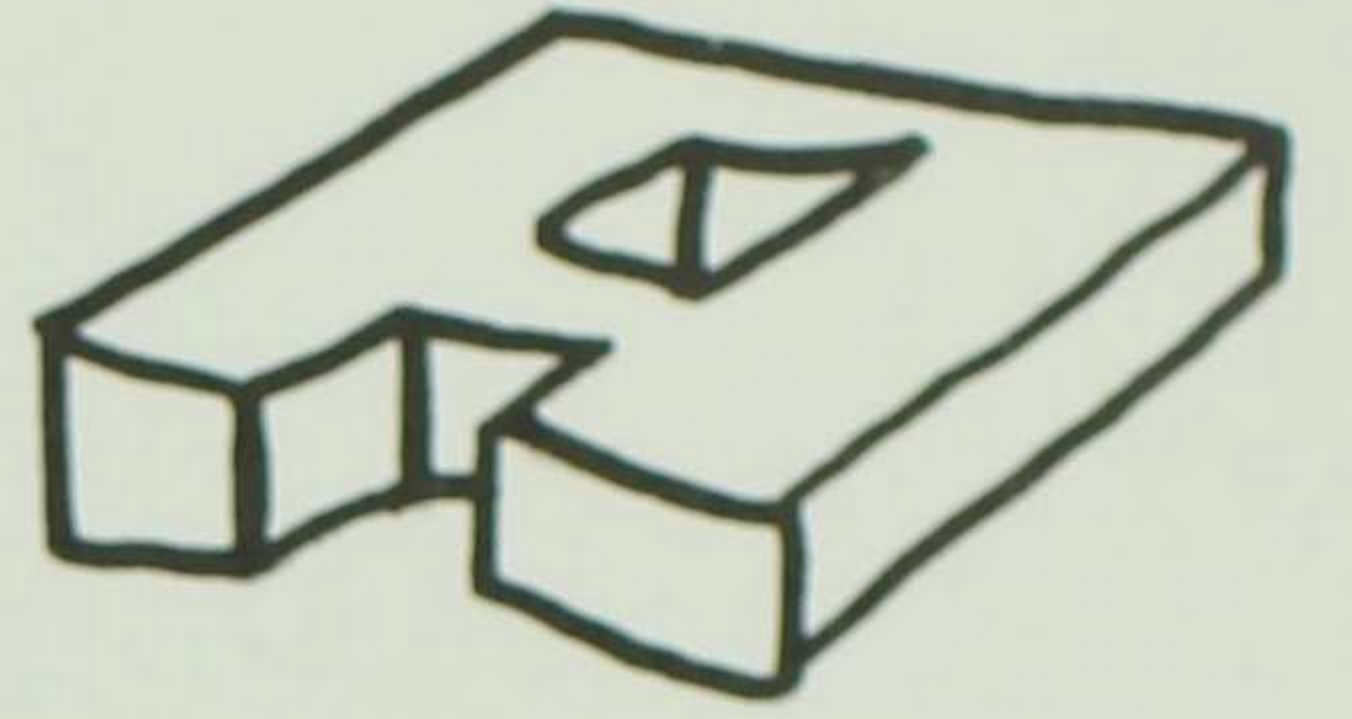

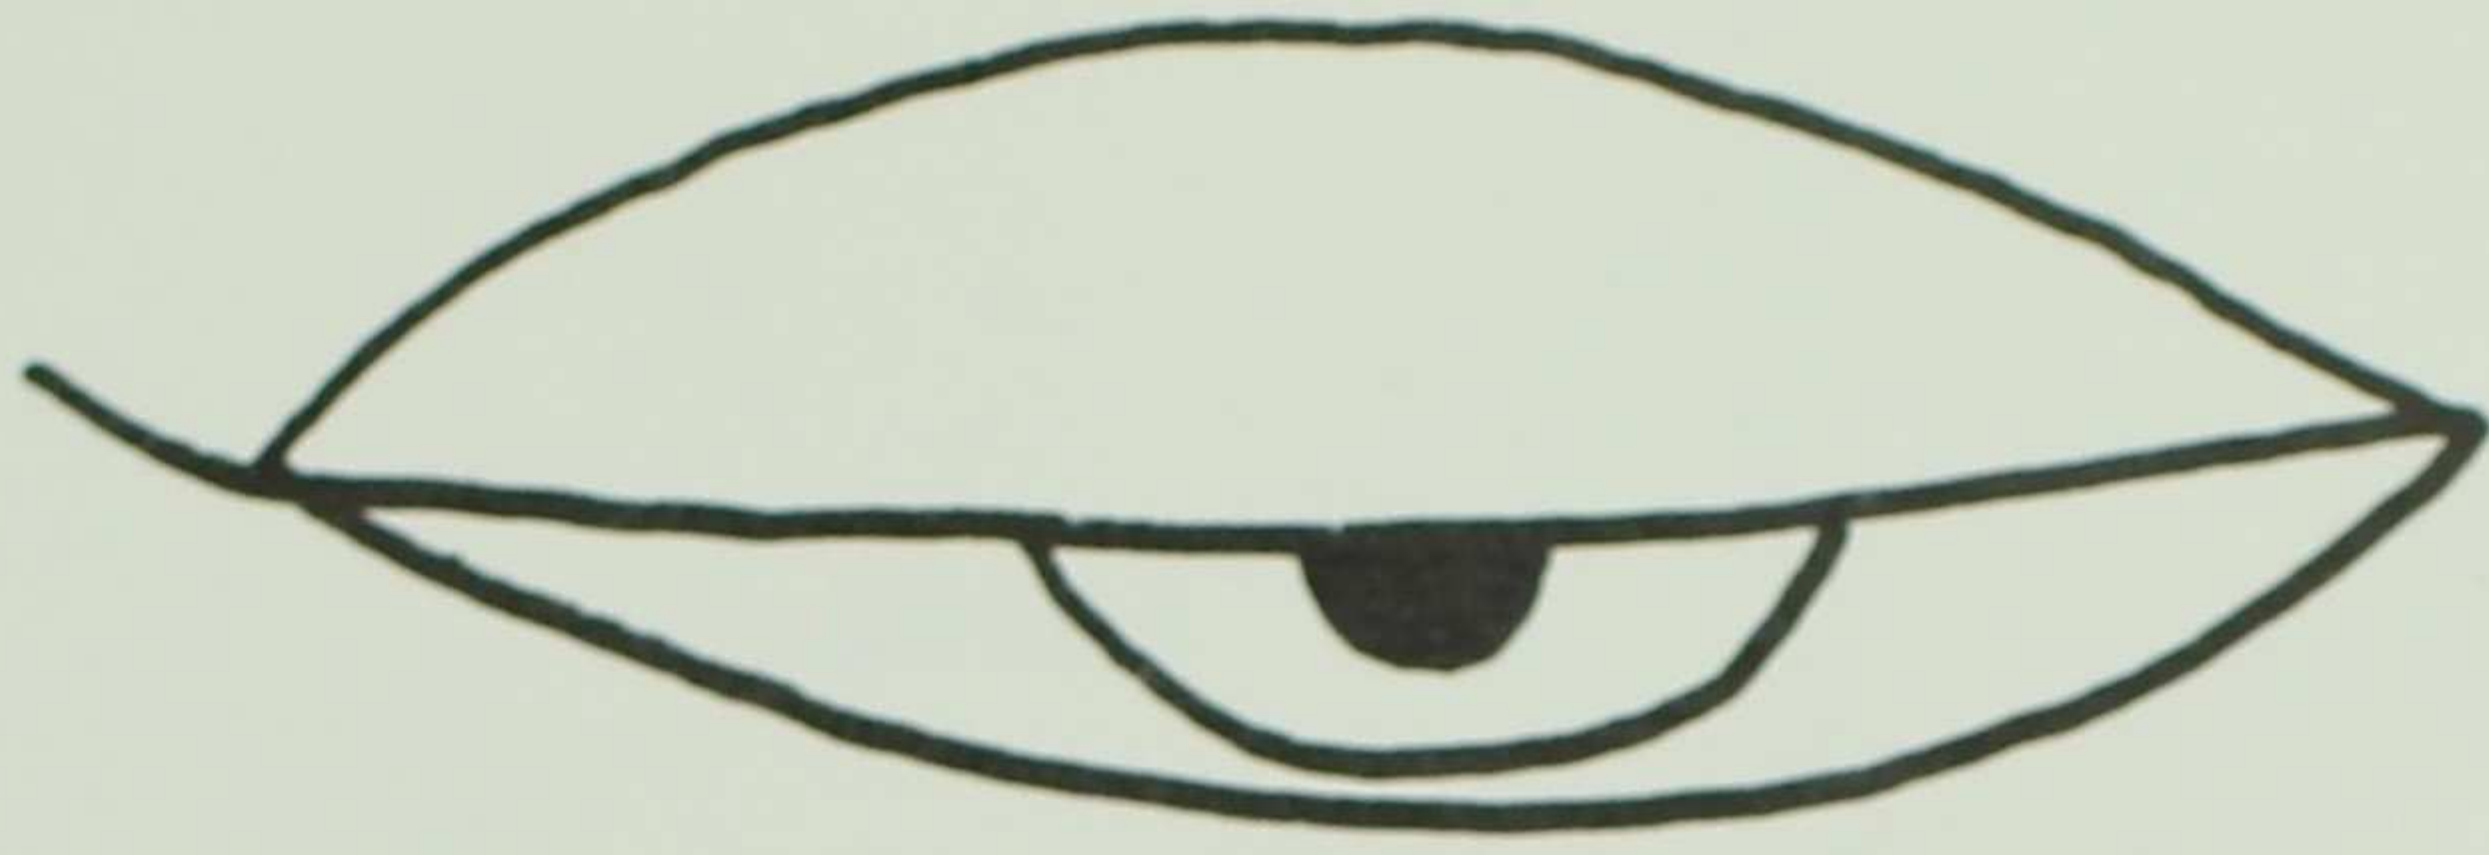

green

windows in which

the little ship is sailing

(not really but it pleases him to say so

sleep in
the sun in the
shade the sleep
comes thru you
you are sleeping
sleeping
